

## Studyguide – We're the help on your side!

The studyguides are an offer to the international students of the faculty of mathematics and physics.

They

- ease your start of studies in Germany
- help with emerging difficulties
- are a group of experienced students on hand with help and advice for you.

Our Welcoming Event for you:  
10 a.m. on 5th April at E242 (main building)

Feel free to come around to see the studyguides during the visiting time or write an email anytime.
